## Residents invited to find out about Bockhanger Square improvement works

Ashford Borough Council will soon be carrying out some improvement works to freshen up Bockhanger Square.

This will be funded by Kent County Council and Ashford Borough Council ward members – all of whom are making substantial contributions from their ward members' grants.

Council officers have put together some preliminary designs and costings for the improvements to smarten the area and are now inviting residents and traders to a drop-in session to look at these proposals and comment on them.

The event takes place on Saturday 8<sup>th</sup> July 2017 between 11:00 and 12:00 at St Mary's Church, Kennington in the hall. (Address St Marys Church, Church Road, Kennington, Ashford, Kent, TN24 9DQ).

Depending on the outcomes of this event, the work will be carried out as soon after that as possible.
